

## **MUTS meeting: January 5, 2012**

Attendance: Regina, Mason, Bell, Kokot, Armstrong, Somers, Cutler, Navroski

Meeting called to order @ 8:15pm by club president – R. Regina.

Minutes posted from December 2011: Kokot moved to accept minutes, seconded by all; minutes from December meeting accepted.

Red Bulls contacted - Jason Dixon coming to next meeting to present various packages available for team.

Fingerprinting vs. E-background checks - fingerprinting is certainly more determinative regarding criminal charges, but the e-background checks will be easier for coaches to complete and still would provide criminal charges; thought is to use fingerprinting for initial time and then follow ups with e-background checks.

Treasury - Whitney request for resignation denied.

MOSA - 10 teams for spring; flight night January 26

Communication: T. Doran continues to tweak site for functionality; to develop better user friendly interface for coaches; no updates to MUTS master list.

Field/Equipment - open March 25 - fields will be lined a couple of weeks prior; new markers are down and will hopefully work when we reline fields; nets were left up because they are in bad shape anyway; Rec was advised re: how many new nets are needed; need to let rec know quickly what fields are going to be used so that they know where to seed because seeding is going to be done early - mid August; keep rec posted if something is changed or moved.

Refs - Jim raised concerns re: refs at Ocean game were poor, evidenced principally by keeper getting kicked in the face and no call being made.

Fundraising - John not here; T. Doran confirmed that we're doing discount cards again in spring; J. Whitney has been handling licensing for raffling.

Goalkeeper training - need to decide what to do for spring training.

Indoor practice time: G. Bonham not using winter gym time - wanted to know if he was getting credit; Rocco suggested giving him a bunch of patches for tournaments at no charge, but not to refund, but to release the time to other teams.

Meeting adjourned at 9:30pm
